Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs), the Bangladesh Securities and Exchange Commission (Mutual Fund) Bidhimala-2001 and other applicable Laws and Regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund's to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

*** 6.04 Investment in non-listed securities

As on June 30, 2023 the Fund held a total of Tk 510,638,297.00 in non-listed securities. Each of these investments have been made by the Fund post regulatory (BSEC) approval. There are three categories of such investments (A) BSEC approved Non-listed Unit Fund; (B) BSEC approved investment in private equity of non-listed company; (C) BSEC approved Bond. The Category (A) investments are valued at the repurchase price which is enforceable on June 30, 2023 declared by respective AMC and this is also a quoted price as per IFRS-13. The investments in Category (B) are held at cost price as the underlying companies are going concerns. The valuation of Category (C) investments are valued at fair value by applying the methodology as per IFRS-13 using Present Value technique under Income approach and in compliance with Rules 58 of Securities and Exchange Commission (Mutual Fund) Bidhimala, 2001.

Category A for BSEC approved non-listed unit fund:

Investments are valued at the repurchase price which is enforceable on June 30, 2023 declared by respective AMC.

Category B. For Non-Listed Private Equity -BSEC approved (Padma Bank limited and Multi Securities Limited & The Best Holdings Limited):

The Fund has invested in the equity of two non-listed private companies (private equity investments), namely the (i) Padma Bank Limited and (ii) Multi Securities & Services Limited, both of which are regulated; the Padma Bank Limited is regulated by Bangladesh Bank and the Multi Securities & Services Limited is regulated by Bangladesh Securities and Exchange Commission, and the quasi-regulators the Dhaka Stock Exchange and the Chittagong Stock Exchange. There is a third investment in this category, namely (iii) the pre-IPO placement equity of Best Holdings Limited. We comment in more detail on each of these three investments below:

(i) Padma Bank Limited: The Fund has investment in equity of private company Padma Bank Limited (the "PBL") which has been approved by BSEC vide letter no. SEC/MF & SPV/MF-02/2009/467 dated May 31, 2012. The PBL is a Bangladesh Bank Regulated entity and going concern. Moreover, PBL private equity is owned by Govt. Banks and financial institutions which owns 65% or a majority of the total equity of the banks. Therefore, Padma Bank Ltd. is considered a going concern and the investment is held at cost by the Fund for a total investment amount of Tk. 63,888,890.00 Fair Value of the similar category of listed banks is above cost.

(ii) Multi Securities and Services Limited: The Fund has investment in equity of private company Multi Securities and Services Limited (MSSL) which has been approved by BSEC vide letter no. SEC/MF & SOV/MF-02/2009/783 dated November 04, 2015. The company is regulated by BSEC and is going concern and has been paying dividend regularly. Using prudence and conservative principal of accounting this investment is also held at cost by the Fund for a total investment amount of Tk. 59,212,059.00

(iii) The Best Holdings Limited: The Fund has investments in the pre-IPO equity of private company the Best Holdings Limited (BHL). The private equity holdings are the result of the conversion of the Fund's holdings in the Best Holdings Limited Corporate Bond, a capital market security which was approved by the Bangladesh Securities & Exchange Commission vide its consent BSEC/CI/DS-47/2015/80, February 14, 2017 to raise capital through institutional private placement. The Trustee of the Bond is well reputed Green Delta Insurance Company Limited. Background of the conversion is as follows: In consideration of the Covid-19 pandemic related significant business loss suffered by the Hospitality sector in which Best Holdings Limited (BHL) operates, the Financial Institutions Division of the Ministry of Finance of the Government of Bangladesh vide its letter 53.00.0000.331.37.002.20.375 instructed bondholders and equity holders who participated in the BHL capital raise to restructure the cash flow requirements from the Bond and equity investment instruments. Based on the better cash inflow opportunity for the equity compared to the bond, the Investment Committee of the Fund, along with some other Bondholders, chose to convert the Bond holding into BHL equity as a pre-IPO equity placement, subject to the Issuer obtaining the necessary regulatory approvals. Subsequently the regulator BSEC has issued a gazette (dated 27 July, 2023 ref: BSEC/CMRRCD/2009-193(part#06)/64/PRD/146, which has provided an implied exemption to the Bond conversion. The investment is now held at cost in the total amount of Tk. 97,722,337.00, which is equivalent to the principal outstanding. In the event that the regulatory approval (post facto) sets a date certain that is after the Fund's conversion date, then it may give rise to a contingent claim: depending on the regulatory decision as to which date the conversion shall occur, there may arise a claim on the Issuer of interim interest to be settled in cash or kind (equity), in the amount of taka 2,65,82,400/=, to be paid by Issuer in cash or kind. Due to the related uncertainties, out of prudence, the Trustee and Investment Committee of the Fund has decided to not recognize this amount in the financial statements of the Fund, and may realize it as income only after the uncertainties are resolved.

As this default has continued to the present the Trustee and Investment Committee of the Fund has decided to include the additional following disclosure on this investment: "The Bond Trustee, the Investment Corporation of Bangladesh (the "ICB"), a reputable statutory corporation of the Government, has conducted an independent assessment of the Regent Bond which included physical inspection of the premises, upon which the Trustee has assessed the Issuer business is a going-concern. Moreover, the present value of the pledged assets of the Issuer, the guarantor Habib Group, and its various affiliates, subsidiaries and Directors, is adequate to cover the outstanding principle and interest against the Regent Bond held by the Fund. The bond is secured by pledge of shares of Regent Textile Mills Ltd. as per schedule-4 of Trust Deed, Deposits & Account receivable of Regent Textile Mills Limited as provided for in schedule-05 of Trust Deed and corporate guarantee of Regent Textile Mills Ltd.
